Memorandum No.48524 d/48-5 dated 31-5-49.

Sub:- Millets - subsidised sales - Half yearly Statement of Loss - Discontinuance - Ordered.

In Government Memorandum No.4940 (a) F/4-3-23 Development dated 31-5-43, the Board of Revenue (Civil Supplies) was asked to submit a monthly statement showing the loss sustained by the sale of imported millets in the Province. However, the Board was sending only half-yearly statements of losses as it was evidently not able to submit monthly returns.

2. In the Government Memorandum no. 4997 G/49-5 Food, dated 15-4-49, the Board has now been asked to submit half-yearly statements showing the financial results of the Trading Schmes under its control. As the statements now prescribed will include the loss in respect of millets also the statements prescribed in the Government Memorandum No. 4940 (a) F/43 Development dated 31-5-43, may be discontinued.

NOTES.

At (B) the Board was asked to send a montly statement showing the loss sustained by the sale of imported millets. Later this was converted into a half-yearly statement. The statements which gave only approximate figures were filed after perusal by Finance. These statements serve no useful purpose at present. At (T) - p23- the Board has been asked to send half-yearly statments showing the results of the Trading schemes. Millets and maize will necessarily be included in these statements. The Board may therefore be A asked to discontinue the submission of the half-yearly return relating to millets alone. Finance may see before orders are issued.
